A dense collage of black and white photographs of students and sports-related images. The collage includes many individual portraits of students, some in athletic gear, and some group shots. There are also images of sports equipment, like a basketball, and a banner that reads "CORRIGAN-CAMDEN H. S.". The word "EVERYBOD" is superimposed in large, white, serif capital letters across the center of the collage.

Dedication

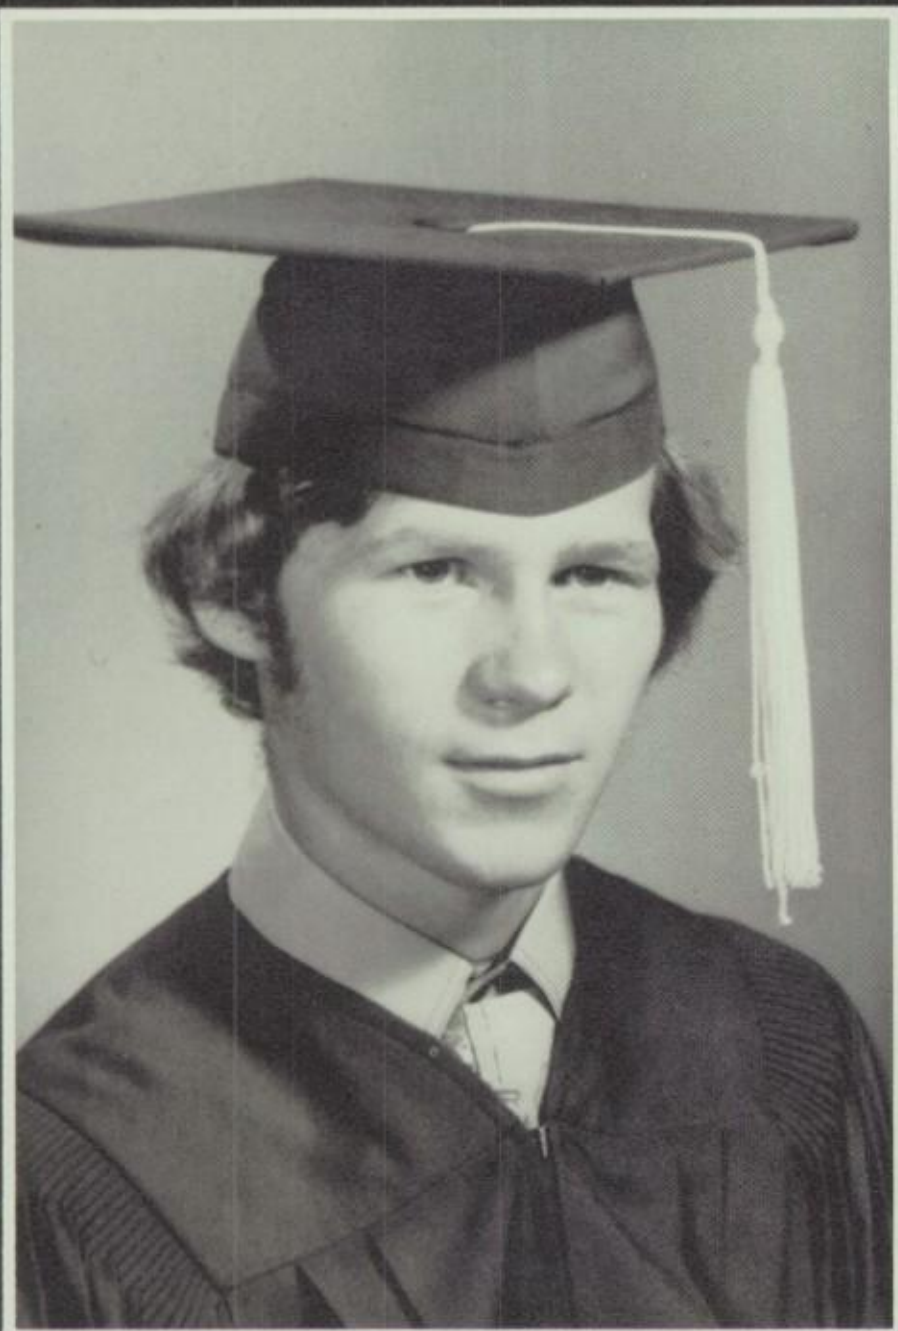

Byron E. Shelton

"Our Music Man"

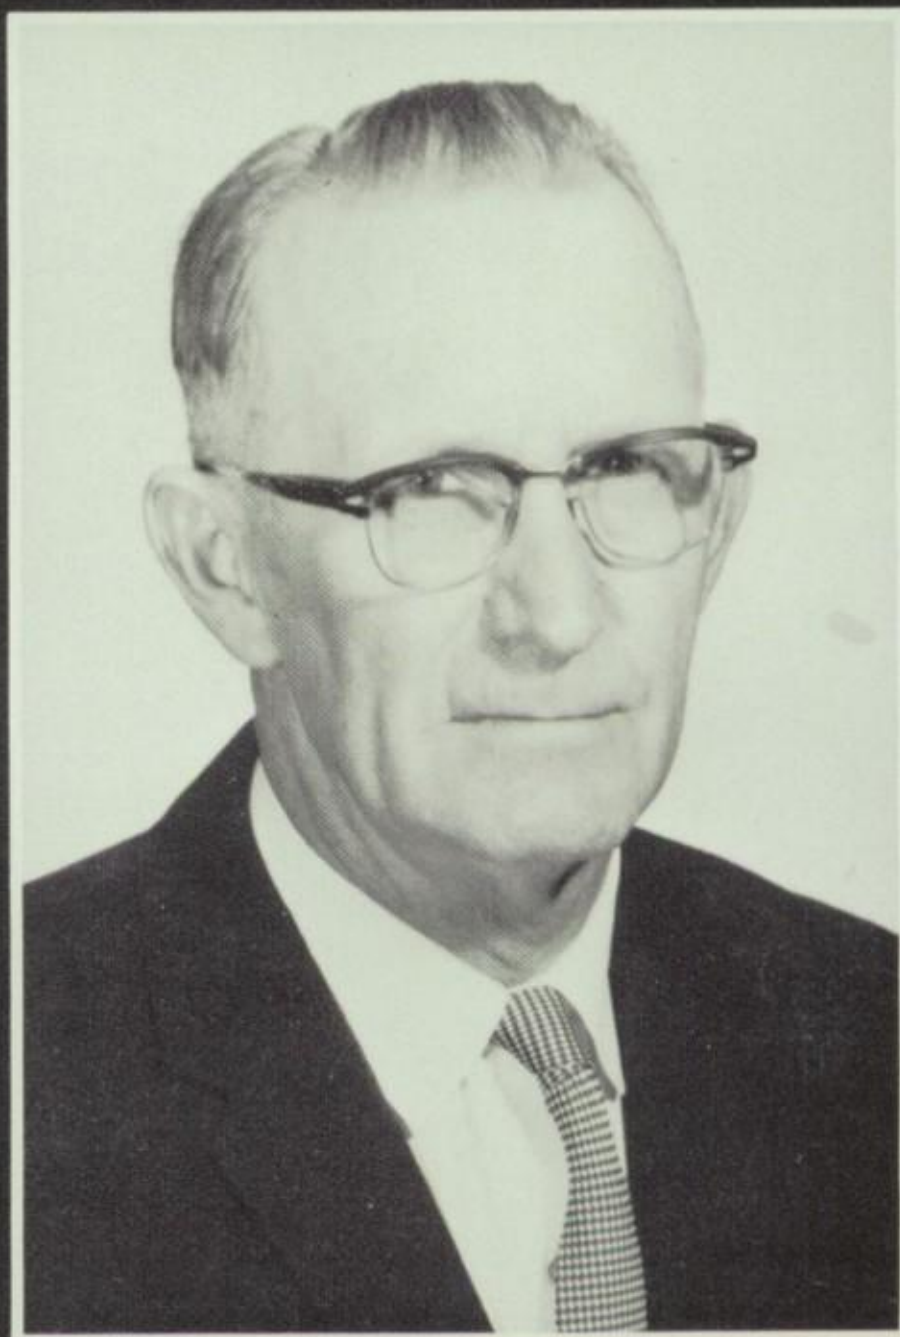

He's made of New Orleans jazz, a red ruby ring, french bread soaked with garlic butter, a sense of humor, an ability to tolerate the beginning sounds band students make on their instruments, and the largest amount of patience a person could ever have.

Some students think he demands too much. Other students appreciate the challenges he offers. The opportunities they have, through him, to learn not only the skill of playing a musical instrument, but teamwork, performing before a live audience, and a knowledge and appreciation of music they will use for the rest of their lives.

He takes his job seriously. He doesn't have an 8 to 3:30 job. He works after school, nights, and even some weekends, and he does it alone. He doesn't miss his regular teaching duties or even neglect them. He doesn't have an aide or assistant. He doesn't take his students away from their regular studies. He doesn't have a big budget to buy instruments, and music. He *does* do an outstanding job. The parents and people in our community have always felt pride when the Corrigan-Camden High School Band performs. It is with that same kind of pride we, the 1978 Blue Quill Staff, dedicate this Yearbook.

I Wonder?

It was a strange feeling going back to school. What would the year be like? Would I be popular? Would I pass? Would I find a boyfriend? So many questions in my mind. As I looked around the gym at all those faces, I thought, a part of my life is going to involve all these faces. What kind of influence is someone out there going to have on my life? And, how am I going to influence someone else's life? We are going to share a part of our lives — the good times and the bad times — together. I wonder if anyone else was feeling the same or thinking the same as I. I wonder?

It's Homecoming time again! The theme of the Corrigan-Camden Homecoming was "70 Years of Pride - School and Community Wide." We are proud of the development of our school and community over the 70 years we have been an independent school district. Our pride in the past is exceeded only by our anticipation for the future - which has never been brighter - for our school and community. A schedule of activities of the Corrigan-Camden School Homecoming is as follows:

FRIDAY, OCT. 21

*7:30 p.m. Football game with Warren. Bulldogs won the game 44-0. Homecoming Queen, Margaret Taylor, was crowned at Halftime. The Band played "The Hustle" while the Twirlers did a "glow in the dark" routine and later the Band marched into a C-C formation.

SATURDAY, OCT. 22

1977 coming

*11 a.m. The parade was held with its many entries. These entries included floats under three categories: school, civic, and business; some businesses and organizations entered decorated cars; and some people decided to ride on either their horses or bicycles.

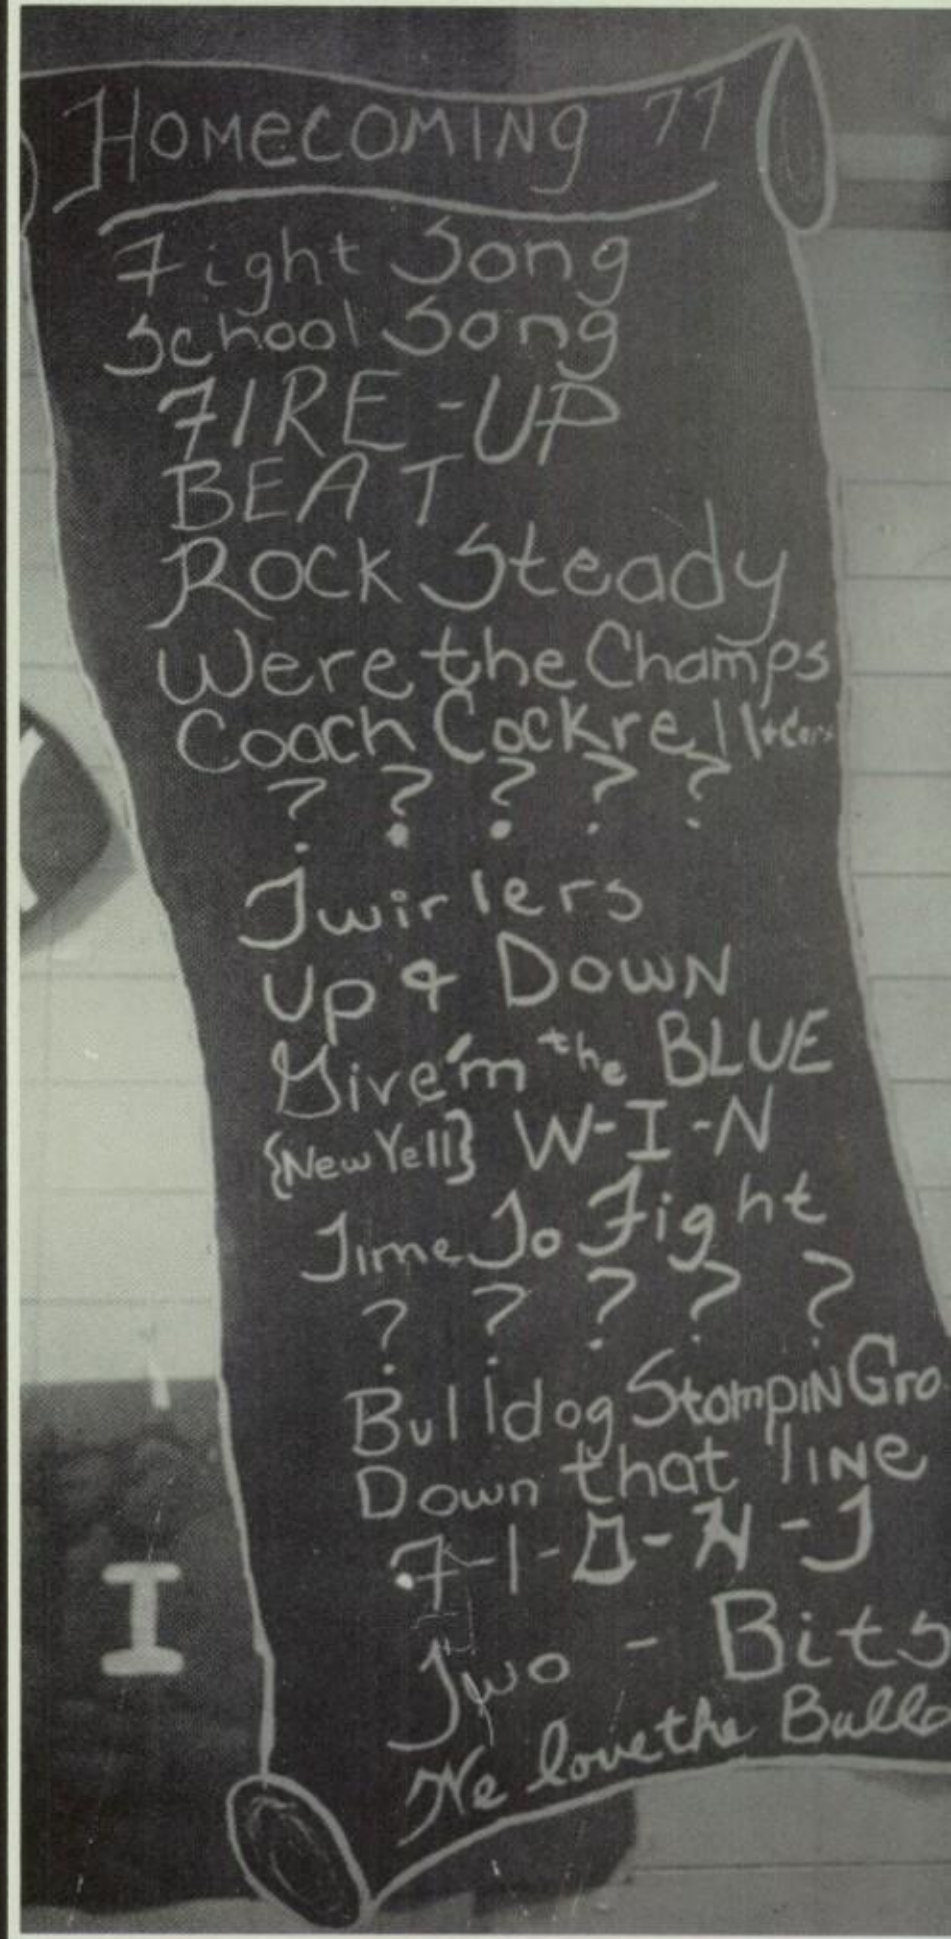

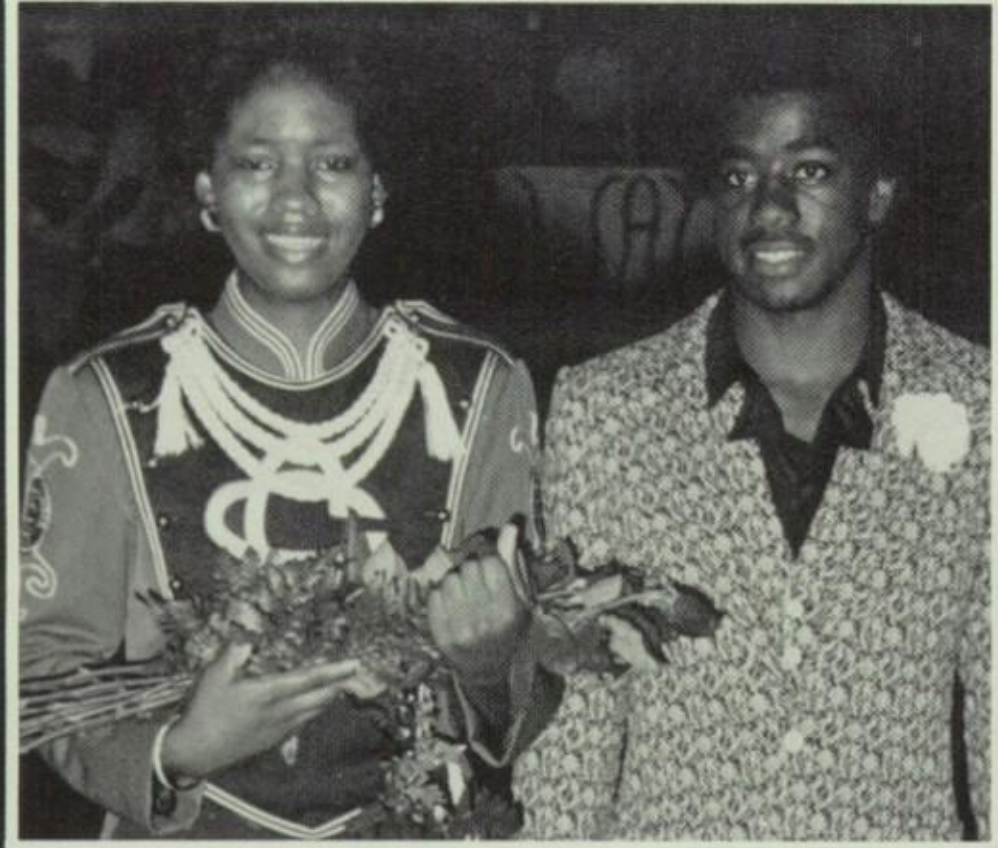

*12-2 p.m. A barbeque dinner was held at the High School cafeteria. It was sponsored by the Corrigan-Camden PTA.

*2-4 p.m. Various class reunions and visitations were held at the High School in different class rooms.

*8-12 p.m. A dance for High School students was held in the cafeteria. Music was provided by Disc Jockey Mark Stevens from KLUF radio station in Lufkin. Another dance was held at the VFW Hall for adults.

School and Community Wide

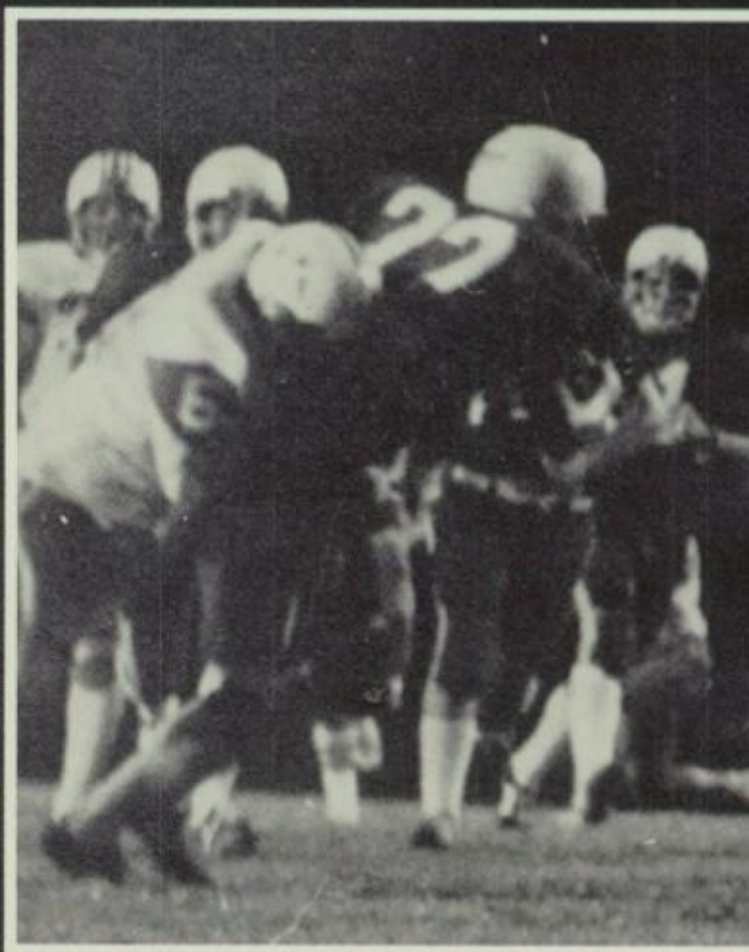

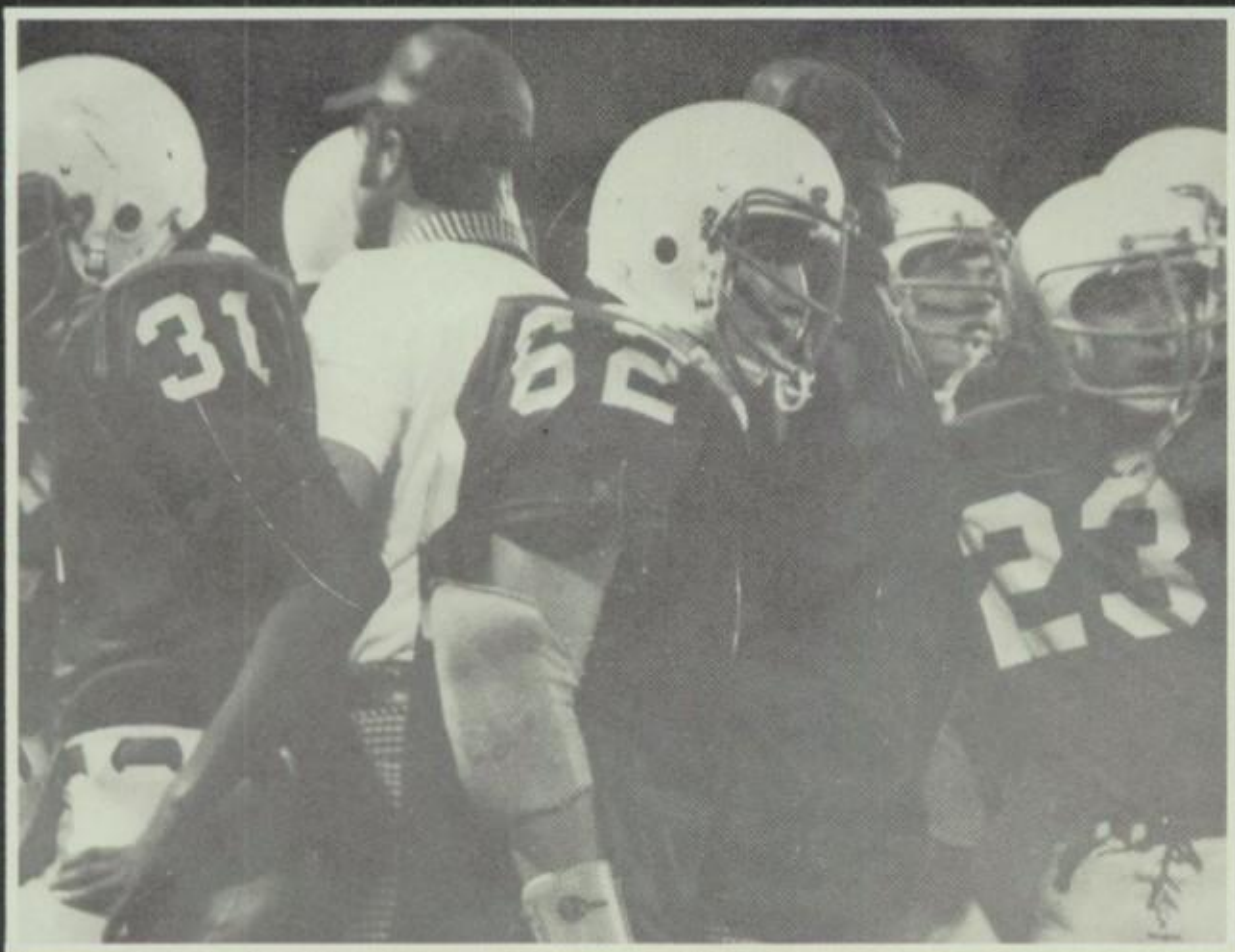

Friday, October 21, 1977 The Pep Rally

The preparations had been going on for weeks. All the signs were hung in the gym. The cheerleaders' and twirlers' uniforms were hanging on the locker doors waiting for 2 p.m. and the pep rally. Yells were heard all morning between classes. The time was really dragging.

After lunch things began to pick up. The cheerleaders were following Theresa around doing last minute jobs. The band warmed up their instruments, and the twirlers practiced their kicks and jumps.

At 2 o'clock, the Elementary and Intermediate students arrived in the gym, followed by some parents and ex-students. Mr. Hyde finally released the high school students and things were "on their way." Homecoming had officially begun. The pep rally, the school song, the coaches and players, the excitement, all of this made the days spent at CCHS a part of our lives we'll always remember.

Friday, October 21, 1977 The Game

A capacity crowd filled the Corrigan-Camden Stadium Friday night as the 1977 Homecoming activities began. Half-time activities included a special performance by the band as all lights were turned off and the twirlers did a routine with "glow in the dark batons." They were accompanied by the band playing "The Hustle."

The band then made the C-C on the field as the former Homecoming Queens were escorted onto the field and presented with flowers. The Duchesses and Queen candidates were presented. Silence, as everyone listened for the announcement of the 1977 Homecoming Queen.

Sophomore Margaret Taylor was crowned Homecoming Queen, amidst applauding, yelling, hugging, and tears. The evening was highlighted by a Bulldog victory over the Warren Warriors 44-0.

Saturday, October 22, 1977

Crowds gathered along the sides of Highway 59 anxiously awaiting the beginning of the parade. The command was given and the Corrigan-Camden High School Marching Band began marching down the street kicking off the 1977 Homecoming Parade.

Judges selected the winning floats in three categories: school, civic, and business.

There were four floats from the schools. The winners were: 7th, 8th, and 9th grade float, first; elementary float, second; 10th, 11th, and 12th grade float, third; and the intermediate float, fourth.

The civic float winners were: Lions Club, first; PTA, second; and Beta Sigma Phi, third.

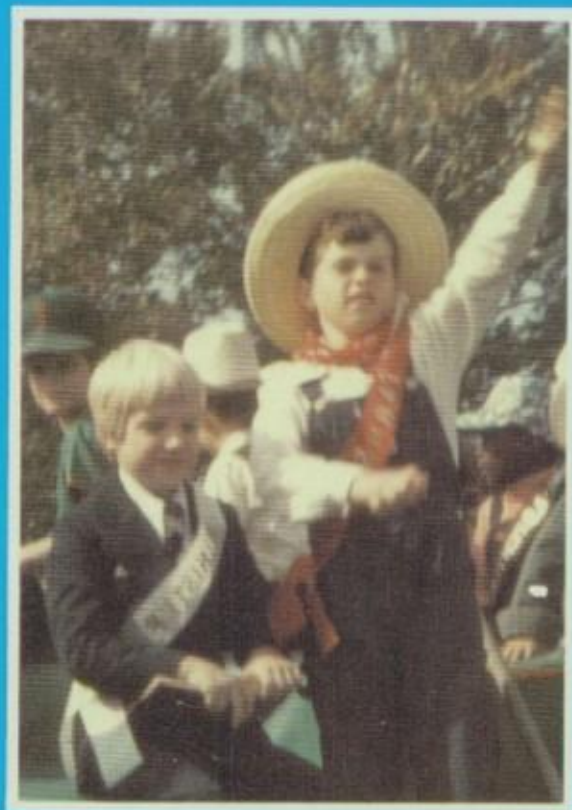

Several businesses entered the parade, and the winners in their category were: Dairy Queen, first; Champion Building, second; and J. P. Thomas & Sons, third.

Trophies also were awarded to the best costume and the best decorated bicycle. Costume winners were: Jackie Jordan, dressed as "Who's Homecoming Queen," first; and Daryl Blakley, dressed as Huckleberry Finn, second; and Ginger Thayer, dressed as a gypsy, third.

The Student Council and Ed Ray, director of the parade, did an excellent job planning the parade.

"The community really supported the entire homecoming events," said Mr. Ray. "I was pleased with the number of entries and with all the work that each person did to make the parade a success."

Dancing to the music is something that really outlasted "KISS" this year. Apparently students enjoyed coming to the regular old "BRICKHOUSE" for this year's money making projects which featured the "ZZ TOP" of rock 'n roll the "DISC JOCKEY!" "IT WAS ALMOST LIKE A SONG" around old C-CHS for weeks while kids went up and down the halls chattering about the past Saturday Night activities. Why "RONNIE MILSAP" never showed up I don't know. But "I GO CRAZY" just thinking about all the fun and money we made. But I wouldn't say we made as much as "FRAMPTON," but the job did get done! Thanks to everyone who worked and participated in this year's school dances!

"Rocky," the Movie of the 1977 Year, became a true-life story of C-CHS Bulldogs. In 1978, the movie scene turned from serious to comedy with "Annie Hall" (a Woody Allen film) being named movie of the year. "Smokey and the Bandit" was a favorite among the students. CB radios and truck drivers was the theme of this movie, as were many songs and also the TV show "Moving On." "Happy Days" and "Laverne and Shirley" were the hits on TV. Both were situation comedies about the fifties. Two robots from "Star Wars," C3PO and R2D2 were favorites of the young and old. Best Actor was Richard Dreyfuss ("Good-bye Girl") and Diane Keaton ("Annie Hall"). Best Song, "You Light Up My Life."

T.G.I.F. Thank Goodness It's Friday

"Thank goodness it's Friday!" Chants ring through the hall from early morning until the mad rush of students hurry to the gym for a short, but invigorating pep rally that afternoon. "B-U-L-L-D-O-G-S- are Great," "Hot Dog," "We're Number One," "Sic 'em Dogs," the spirit never ceases around C-CHS.

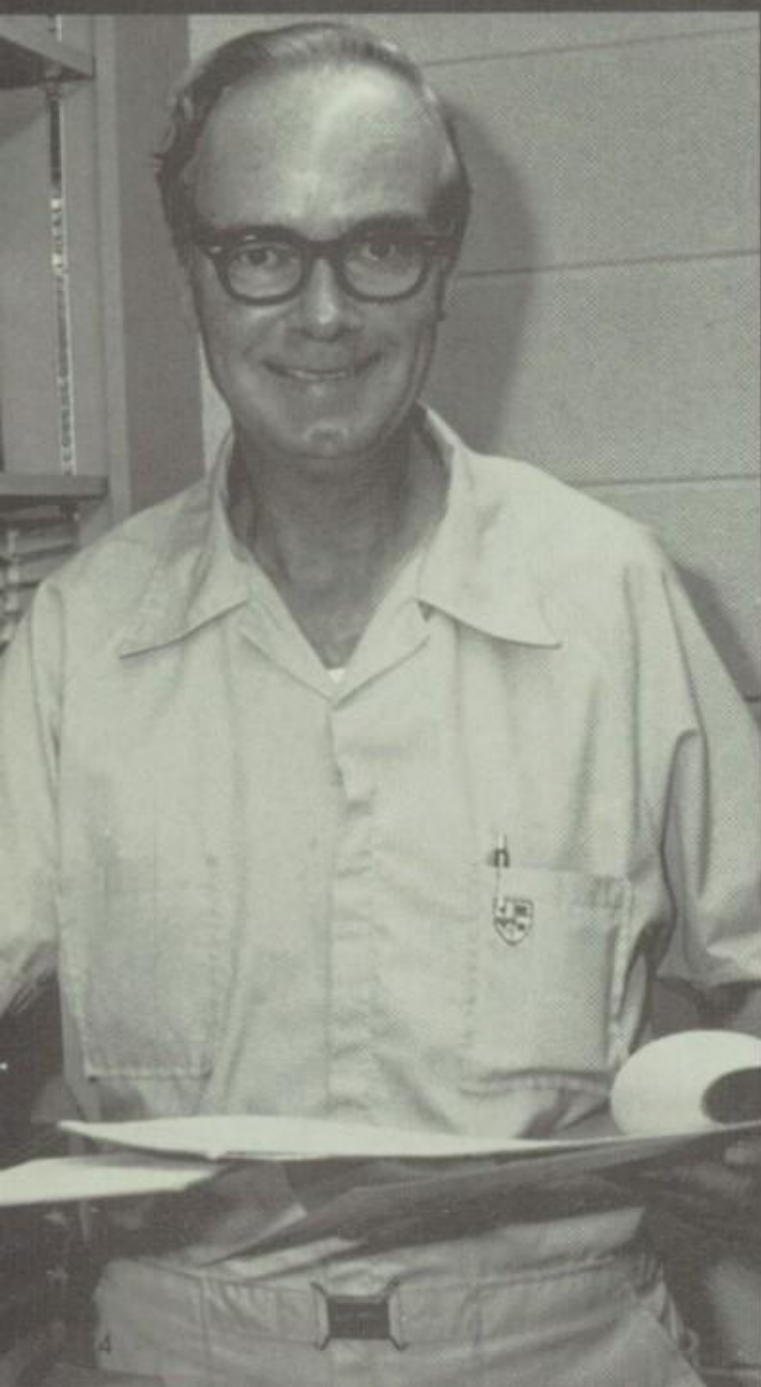

The roaring drums of the Bulldogs Band is heard off into the distance as they enter to support the mighty Dogs in a furious battle to victory. The game has ended, the fans have left, the lights are turned off to complete another football season.

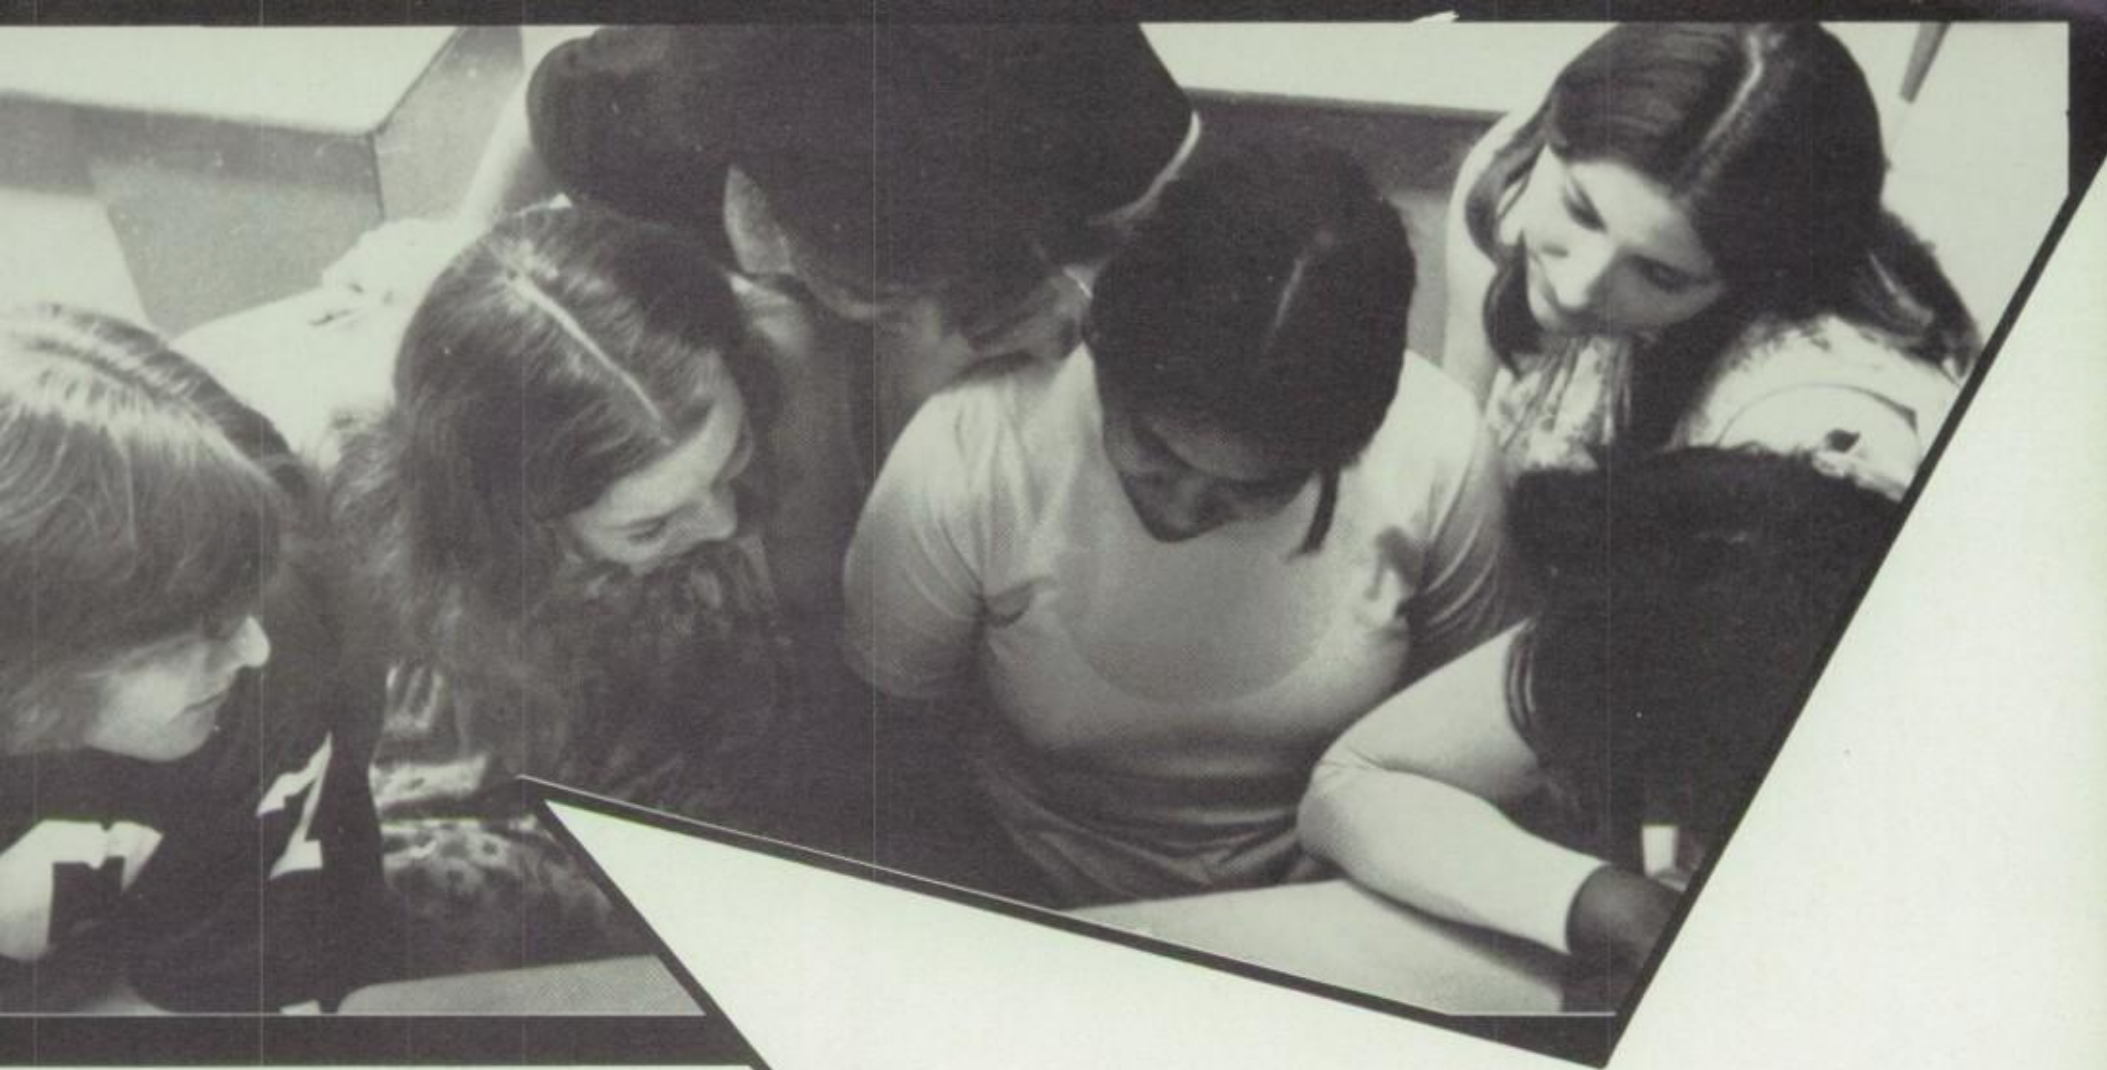

The weekend is over and Monday means another week except without the regular school spirit. Friday rolls around but there is no ballgame, no pep rally, just thoughts linger in the minds of the students. "End of the week," "getting out of school," "Cartoons tomorrow," "sleeping late," "payday," "put your mind to rest," "Drive-in movies," "Fun, Fun, Fun."

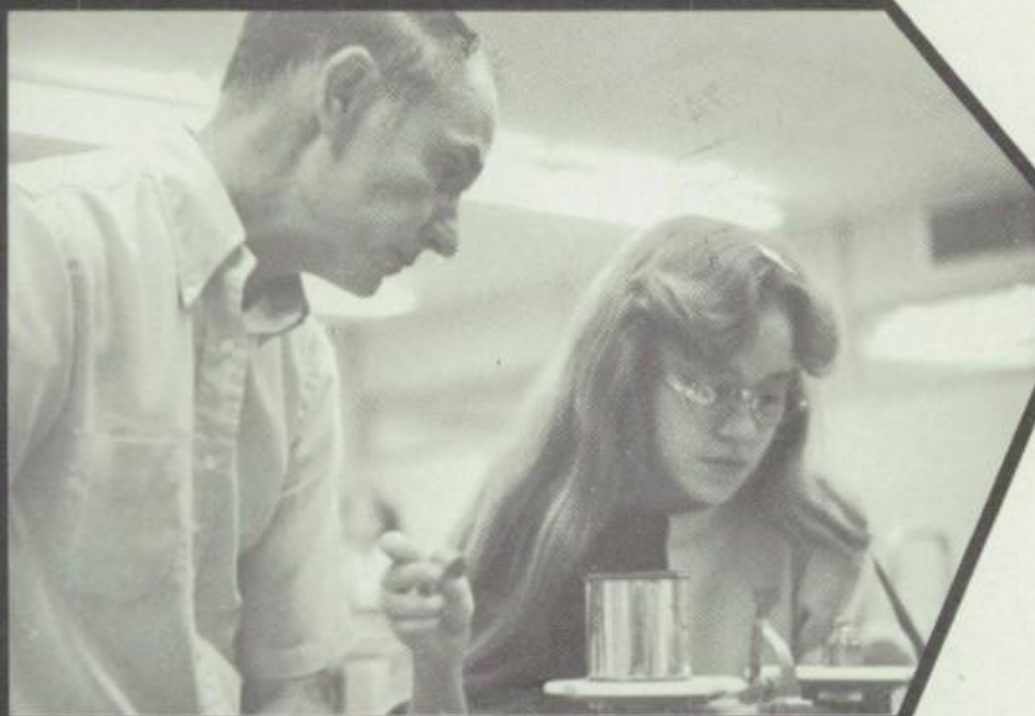

Then school ends and only memories are left of the Friday that was "T.G.I.F."

Guess who had the best attendance at the Elementary School? Mrs. Fleming's second graders. Guess why they are smiling? They won a trip to the drugstore for their choice of ice cream. Lime was the favorite, followed by chocolate swirl. What ever happened to plain old vanilla?

The Elementary Christmas program was presented at the Corrigan-Camden High School Cafeteria on Thursday night, December 15. Elementary Principal, Mary Maude Bolton, and the elementary faculty directed the program. The costumes, made by the parents, were unusual and colorful. The dutch doll costumes stole the show and so did the antics of the monkeys. It was an enjoyable and entertaining evening, which made all the effort worthwhile.

Amerine Leaves Teaching Career

Former Camden teacher Mrs. Beck remembers the years at Camden with Mrs. Amerine.

What can you say about a person who has dedicated her whole life to teaching? Mrs. Bonnie Dell Amerine has been teaching in Camden and Corrigan for 40 years of her life.

Mrs. Amerine began her teaching career at Camden in 1939. She taught third and fourth grade students until they moved the Camden school into Corrigan in 1969. Mrs. Amerine states, "They moved the library and the 1st grade building from Camden to Corrigan so I actually felt quite at home. The faculty was so pleasant that I have really enjoyed teaching here."

"In the years that have passed," Mrs. Amerine continued, "the Corrigan elementary school has changed very little. The attendance has grown tremendously, though. The material that I have taught is generally the same although the books have become more colorful and more interesting for the children."

Mrs. Amerine is retiring by choice and she wishes to travel and do things she hasn't previously been able to do. She concludes, "I've really enjoyed teaching all of my students and I'm sure I'll miss it truly!"

School Board President, W. B. Andrews, expresses the school's appreciation for the fine job Mrs. Amerine did in the Corrigan schools.

Relatives, former students, and co-workers came to honor Mrs. Amerine and to say thanks.

Her principal, Mary Bolton, presents Mrs. Amerine with a gift from the faculty.

The offices of the Corrigan-Camden Schools might be considered the brain center of the school, where important information, questions, etc., are handled. The work is really a challenge. Between phone calls, absentees, and tardy slips, they still have time to do their jobs exceptionally well, and all agree that they enjoy it immensely, and "wouldn't have it any other way."

Annie Retires After 24 Years Service

Corrigan-Camden School employees honored Annie Dunn, a school cafeteria worker for 24 years, with a retirement party in the high school cafeteria. She began working at the Moscow School in 1953. When the schools integrated, she continued to work at the junior high in Moscow. After the completion of the new high school building in 1969, Annie became a cook in the new kitchen.

The school employees gifted Annie with a diamond watch, and she received several other gifts from friends. "Chicken and Dumplings" and "Fried Chicken" were her specialties, but she could make just about anything taste delicious.

Although the school employees did all the cooking for her party, Annie just couldn't sit still; she continued to try to serve coffee, or whatever was needed. She has earned a very special place in the hearts (and stomachs) of all of us at Corrigan-Camden Schools by being a thoughtful and kind human being, and the best cook in East Texas.

KIRBYVILLE — A 22 yard touchdown pass from Corrigan Camden quarterback Dewitt DuVall to Fredrick Stephens boosted the C-CHS Bulldogs to a 24-18 win over Kirbyville here Friday. The win upped Corrigan-Camden's won-lost record to 4-0-1 in District 17-AA play and moved the Bulldogs into contention for the championship of the district. Corrigan meets district leader Newton in Corrigan this Friday. The Bulldogs went out in front early when DuVall fired his first touchdown completion of the night to Stephens on a 16-yard touchdown pass that was the first Bulldog play following a pass interception. The extra point try failed as did all extra point attempts on the night for both teams. Kirbyville scored twice in the second quarter to put the Dogs down, 12-6. In the third quarter, Corrigan-Camden put their second touchdown on the boards when Lawrence Woods ran one yard to cap a drive that began on about the Bulldog 35. Still in the third quarter, the Bulldogs put together what C-CHS Athletic Director and Head Coach Buzzie Cockrell called, "probably the best drive of the night," as they moved down to the Kirbyville 19 from where Woods scored his second touchdown of the game, putting Corrigan-Camden ahead 18-12. Kirbyville retied the game at 18 with a fourth quarter TD. The Bulldogs moved to the Kirbyville 10 where an option play by DuVall on third down was thrown for a five yard loss setting up fourth down and 12 from the 15. George Raines tried a field goal and missed, turning the ball over to Kirbyville. On a fourth and short yardage situation from their own 22, Kirbyville went for the first down and were held to no gain, giving the Bulldogs the ball deep in Kirbyville territory. Kirbyville took the ball after the kickoff and moved it to the 50 where Corrigan-Camden freshman defensive halfback Terry Phillips intercepted a pass to give the Bulldogs the ball with 26 seconds left to play. On first down from the 22, DuVall and Stephens connected on their game-winning touchdown.

1. Running back "Boo" Stephens scored the game winning touchdown in the Kirbyville game. 2. Linebackers Brooks and Locke were known for their ability to stop the opponents in their tracks. 3. After a breath-taking fourth quarter, the Bulldogs emerge victorious. John, tackle, and brother George Schoenemann give Coach Cockrell a ride off the field.

Coach Cockrell Named "Coach of the Year"

Corrigan-Camden Head Football Coach Buzzie Cockrell was selected District 17-AA Coach of the Year, and Bulldog running back Lawrence Woods was named offensive player of the year at a coaches conference held last Tuesday in Diboll.

Also, several of Corrigan-Camden's football players were selected this year for the all-district team.

Bulldog players who were chosen first team offense include John Schoenemann, senior tackle weighing 190 pounds; Lawrence Woods, senior back weighing 175 pounds; and DeWitt DuVall, senior quarterback weighing 160 pounds.

Those who were picked for the first team defense include John Schoenemann and Michael Brooks, who was named runnerup.

For the second team offense, guards Bill Locke and Kevin Spurlock were chosen along with center Mark Jones.

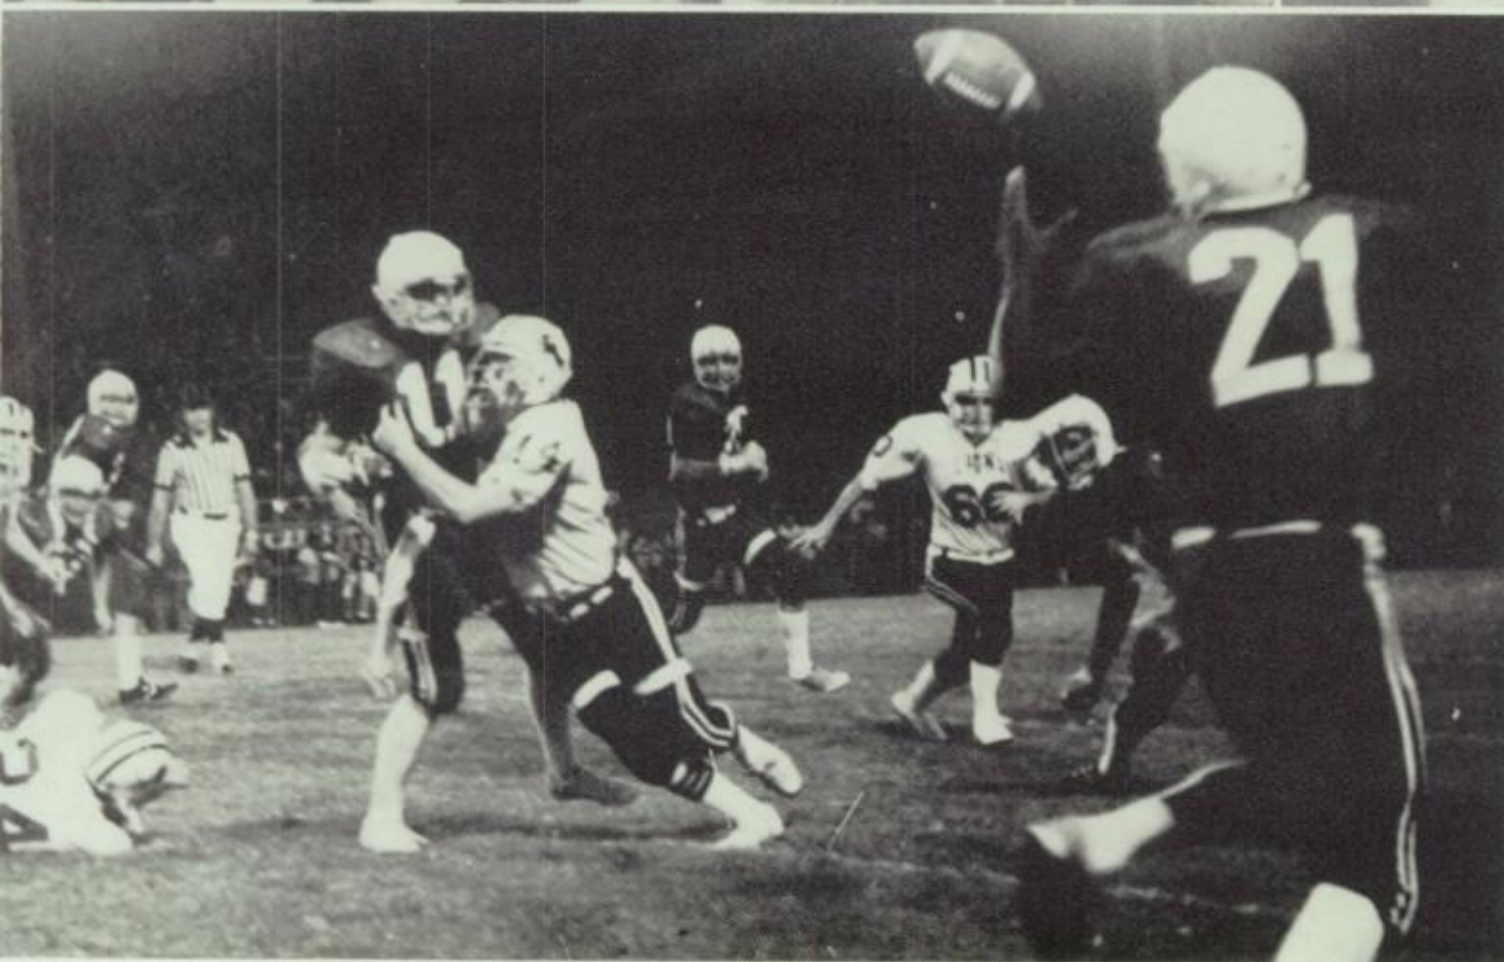

On the second team defense were senior end, Lawrence Woods; senior lineman, Mark Jones; linebackers Bill Locke and Michael Brooks; and Dewitt Duvall and George Raines.

Raymond Woodard, Bill Brandenburg, David Brandenburg, and Robert Duncan were given honorable mention for their defensive efforts. Frederick "Boo" Stephens, Michael Splettstosser, George Raines, and Raymond Woodard also were given honorable mention for offense. Newton, winner of District 17-AA, placed 11 men on the first all-district team.

Cockrell, after winning the Coach of the Year award, said the honor "was quite a surprise. It felt real good."

Cockrell didn't feel all the glory was his, however, as he emphasized that "a lot more people were involved than just myself, and especially Coach Falcone and Coach Beaumont deserve it as much if not more than I do. I hope they feel like this was a mutual award because they received it just as much as me. They're just as responsible for the program as I am, if not more."

Cockrell also shared his honor with the players by saying, "We had a group of kids that made us good coaches."

1. The togetherness of the Bulldogs and their ability to work as a unit made this team a winner. 2. Coach Cockrell gives that well-known point and Woods gallops 1356 yards and 12 touchdowns for the season. 3. Quarterback DuVall connects with "Boo" Stephens for a first down.

November 4 — The Game

Corrigan, Newton Battle for Title

November 3, 1977

In a game regarded "as the biggest to be played in Corrigan in a number of years," the Corrigan-Camden Bulldogs will meet state-ranked Newton at Bulldog Stadium tomorrow night at 7:30 p.m.

The reason: the District 17-2A football crown is at stake, for the most part, in this one. Corrigan, although sporting a 5-2-1 overall record, owns a 4-0-1 district mark and the Bulldogs are sky-high coming into the battle with the Eagles after disposing of highly-touted Kirbyville in Kirbyville last week, 24-18.

Newton is 8-0 overall this year, 5-0 in 17-2A play and is ranked fifth in the state by AP (fourth by UPI and the Dallas Morning News.)

But this is only more incentive for the Bulldogs to do the job on Newton, according to Buzz Cockrell, Corrigan-Camden head football coach.

"Our kids are looking forward to playing Newton," he said. "We are all healthy and ready to take it to them."

How big is Friday's clash? "Well, we're just tickled to death to be in a game of this caliber. It means a lot to the kids and we feel like we're going to beat them. We just feel like things are going our way and we're not going to let Newton stop us. It's going to take a good effort on the part of Newton to beat us," Cockrell said.

And that's a mouthful. The Eagles have had notices served on them before during the course of the season but never quite as important a situation has arisen until now. The Corrigan-Camden Bulldogs unleashed their terror on the rest of the district, shocking East Texas football observers from far and near.

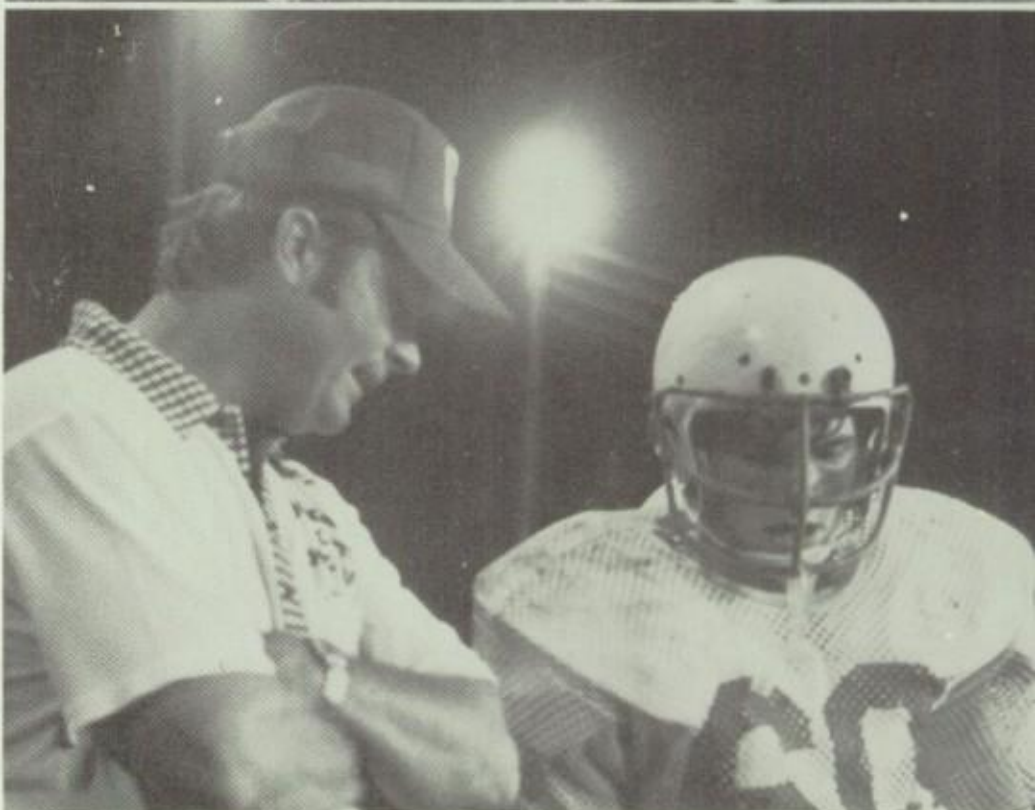

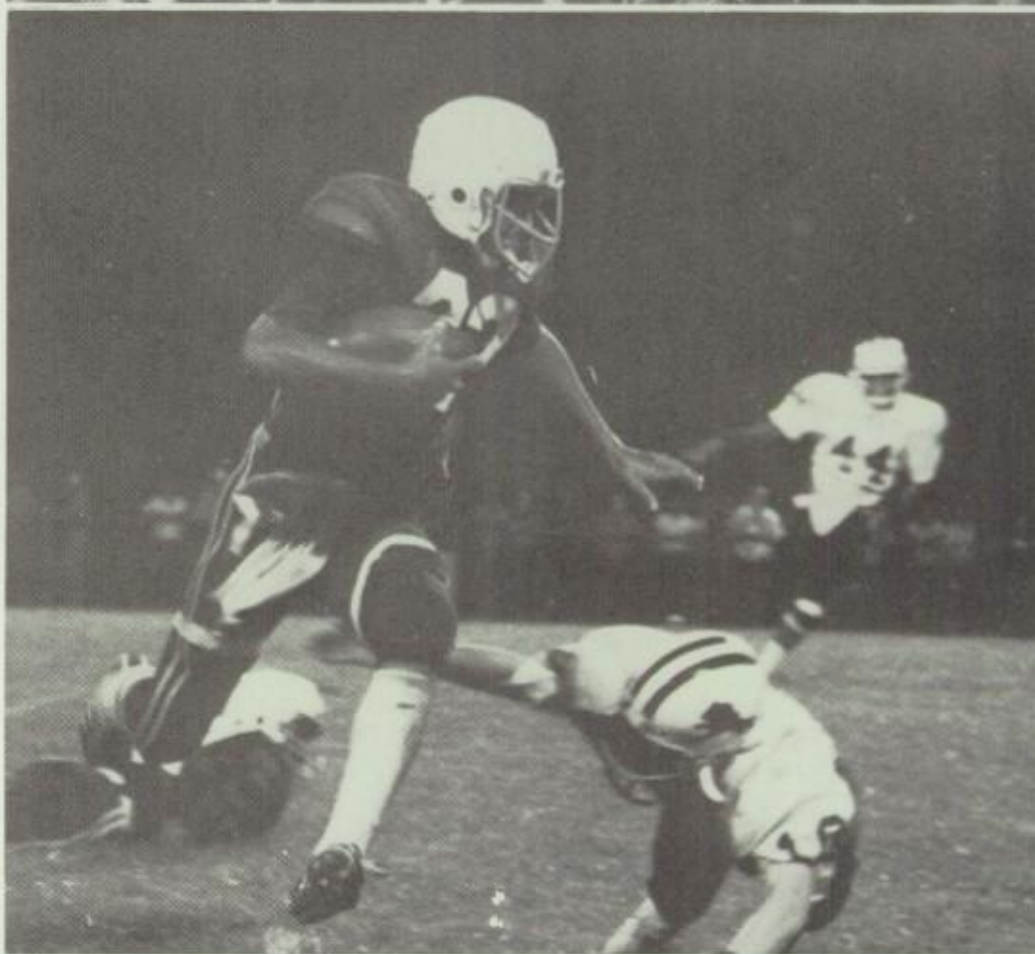

Corrigan suffered through an 0-10 season last year and were expected to still be in the rebuilding stages. But not so. The Dogs romped on Kountze in the season opener and have not taken a district defeat yet. The only blemish on their 17-2A record is a 6-6 tie with San Augustine in the district opener.

The big offensive guns for the Bulldogs are running back Lawrence Woods and quarterback Dewitt DuVall.

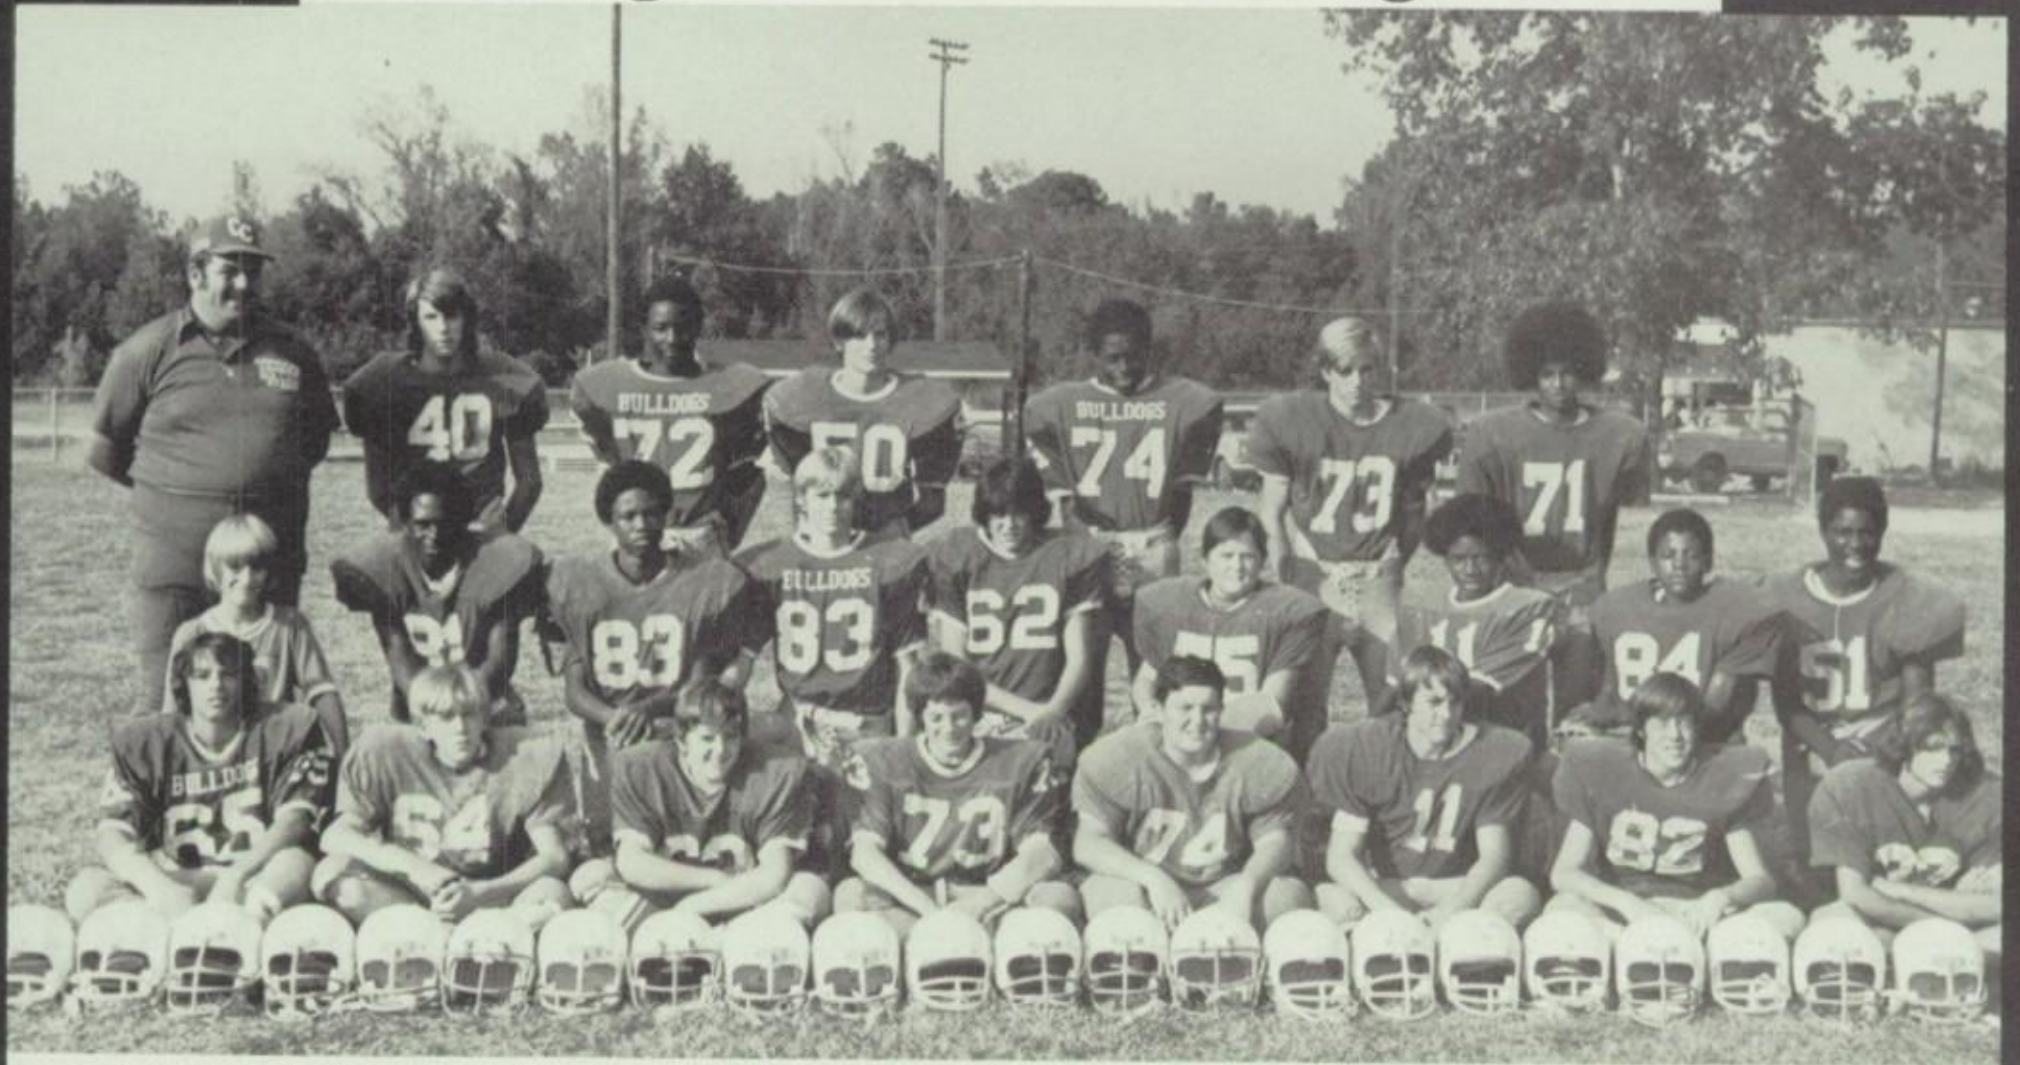

Last week's upset of Kirbyville has the Corrigan team sitting pretty, facing their toughest test yet at home. "Beating Kirbyville in Kirbyville was a big win for us, no doubt about it," Cockrell said. "But like I told the players on Monday, that's all in the record books now, and we can't sit back and rest on that game. We have to beat Newton."

November 4, 1977 — Just One Point

We went into the game knowing what we had to do. It was winner take all this time. We looked good against Kirbyville last week, but that game was over, it wouldn't win us a district title. We had to win and everyone knew it. Getting dressed that evening you could have heard a pin drop in the field house. At 7:30 as we stepped out onto the field, you could feel the excitement in the air. It was a hard hitting well fought battle all the way through. We were never behind by more than seven points and neither was Newton, but when the final whistle blew we were on the short end of a 21 to 20 score. Newton didn't beat us we just ran out of time.

"Constellations" form all kinds of designs in the sky, each different but each performing its individual spectacle every night. The organizations of C-CHS each has its unique and special design, and each organization performs that same spectacular show each year.

Under the leadership of President Connie Nixon the Student Council has been a vital part of Student life.

Without the Blue Quill the events of 1977-78 would not have been recorded.

The Bulldog Growl Staff used their talents to give our school publicity.

DECA put their training into practice by operating the "Doghouse" — which was the school store specializing in "bubble gum."

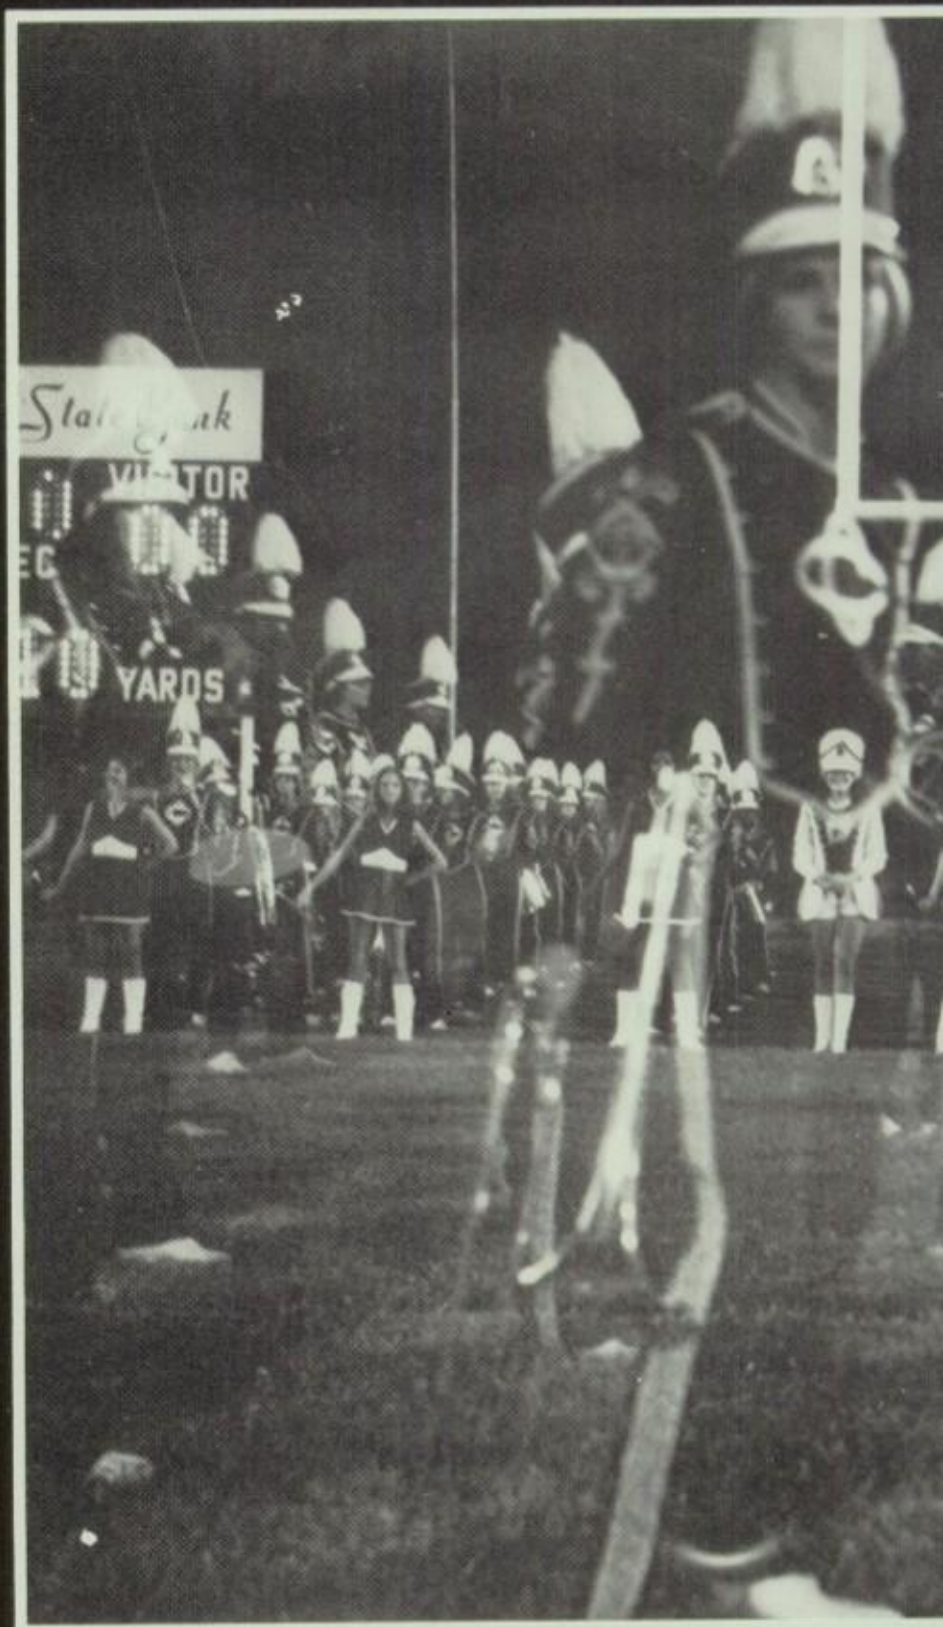

The primary aim of FFA is the development of agricultural leadership, cooperation and citizenship.

The objective of FHA is to help individuals improve personal, family, and community living.

In 4-H, Spanish Club, PTA, and Future Teachers all build their way towards a good future. Without the Twirlers we wouldn't have memories of "The Hustle" and "Goofus."

Without the Band we wouldn't have the "music" and "spirit" of the games and pep rallies.

Without the Cheerleaders we wouldn't have any school signs, spirit week, and the pep rallies.

Student Council Student Council Student

The Student Council members exchange gifts at the beginning of each Varsity Football game to promote good sportsmanship. Beth Smiley is receiving a gift from the Student Council members of another team.

Principal Hyde purchased Student Council Vice-President, Lawrence Woods for \$10 in the slave day sale. The council raised over \$200 in the sale. In the spirit of freedom, Mr. Hyde freed Lawrence after performing a minor service (carrying him).

The Student Council presented a Christmas program in which Mr. and Mrs. Santa Claus (John and Sherry) asked Billy and some of the other students what they wanted for Christmas.

The Student Council sponsored a slave day in which the members were auctioned off to the students and the faculty. Billy Sam Locke was sold for the highest bid (\$37) of the day.

CREED

We are the Future Homemakers of America. We face the future with warm courage and high hope.

For we have the clear consciousness of seeking old and precious values. For we are the builders of homes, homes for America's future, homes where living will be the expression of everything that is good and fair, homes where truth and love and security and faith will be realities, not dreams. We are the Future Homemakers of America. We face the future with warm courage and high hope.

Twirlers, were
selected last
spring and began
working together as
a unit. During the
summer months we
were busy preparing rou-

trips to the Dairy Queen to recover from the heat.
At the first game, Liz gave the count-off for "The
Hustle," all that work was in the past, and it was
fun. The spectators at homecoming were
impressed with our "glow in the dark" batons, but
we'll never forget the friendships, fun, and pride
we felt being the frontline of the C-CHS Marching

Advisor's Message

I am very proud of the twenty students who worked to produce this book. From the beginning the staff wanted to tell the story of our school year. We hope we have accomplished this goal.

In producing this book, I also grew to respect the members of this staff. This was a difficult job, and required a lot of understanding and "give and take" from everyone.

I would like to thank the members of the staff for the fine job they have done; thanks also to the following who make this book possible: To Mr. Cockrell for giving me the opportunity to teach these students; to Mr. Hyde for his time and support; to all the faculty for their cooperation; to Allen Dodd, editor of the *Corrigan Times* for all the photos he gave our staff to use in this book; to Carolyn Elmore for working with the photographers; to Mark Foster, our school photographer, and Don Watson, our Taylor representative; and finally to all the students at all the Corrigan-Camden schools for your achievements and participation; for whatever made you care enough to join a club, play in a sport, or just give that extra effort so that you didn't go unnoticed in the school year 1977-78.
